

Forever ImmuBlend™ *Immune Support Supplement*

Forever ImmuBlend™ is designed to support immune system function by addressing all aspects of the immune system from its first line of defense to its last. Each ingredient in our proprietary blend is specifically chosen for the crucial role it plays in supporting your body's immune system function. It helps the body's biological defense system to operate at peak performance so you can carry on your daily routine without any cares.

Our immune-enhancing nutrient blend includes the power of lactoferrin, maitake and shiitake mushrooms, along with vitamins C & D and zinc for that extra boost. Each of these key ingredients contributes to your body's well-being:

- **Fructooligosaccharides** – promote healthy levels of probiotic bacteria in the digestive system.
- **Lactoferrin** – supports immune cell production and helps maintain optimum levels of beneficial bacteria in the intestines
- **Maitake & Shiitake Mushrooms** – support immune cell production and cardiovascular function
- **Vitamin D** – strengthens immune cells
- **Vitamin C** – fights free radicals
- **Zinc** – fights free radicals and supports immune cell production

This exclusive formula addresses all aspects of immune system function, providing both

foundational nutrients required for a healthy immune system and natural botanicals that work synergistically to support immune function.
