

Aloe Vera Gel

Imagine slicing open an Aloe leaf and consuming the gel directly from the plant. Our Aloe Vera Gel is as close to the real thing as you can get.

The miraculous aloe leaf has been found to contain more than 200 compounds, including 20 minerals, 18 amino acids and 12 vitamins. A product of our patented aloe stabilization process, our gel is favored by those looking to maintain a healthy digestive system and a natural energy level.

The first to receive certification by the International Aloe Science Council, this rich cocktail of pulp and liquid authenticates this product just as nature intended. Taken daily, either alone or mixed with pure fruit juice, it is one of the best health drinks available!
